## **SEXUAL COMPULSIVES ANONYMOUS NEW YORK**

### **Meeting List**

### **Statement of Purpose**

Sexual Compulsives Anonymous is a fellowship of men and women who share their experience, strength and hope with each other, that they may solve their common problem and help others to recover from sexual compulsion. The only requirement for membership is a desire to stop having compulsive sex. There are no dues or fees for SCA membership; we are self-supporting through our own contributions. SCA is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy; neither endorses nor opposes any causes.

Our primary purpose is to stay sexually sober and to help others to achieve sexual sobriety. Members are encouraged to develop their own sexual recovery plan, and to define sexual sobriety for themselves. We are not here to repress our God-given sexuality, but to learn how to express it in ways that will not make unreasonable demands on our time and energy, place us in legal jeopardy – or endanger our mental, physical or spiritual health.

\*\*\*\*\*

It is suggested that those new to the fellowship attend six different meetings in quick succession to see if SCA is right for them. Newcomers are encouraged to attend meetings listed as Beginners Meetings in order to familiarize themselves with the Program; however, newcomers are welcome to attend all meetings. Beginners meetings are marked on the Meeting Schedule with an asterisk (\*).
